

Apart from one, all replies gave positive comments to this first question, saying they enjoyed the experience, even those who did not find in particular useful

**A selection of comments from the feedback section;**

- I do not think it’s fair for children to stand up for good attendance, as it is the parents who make the choice to keep children off school if they are sick or holiday
- No improvements needed. It’s perfect!
- Noise levels
- Can siblings go together for BOBS?
