Benington Primary School

Governing Body

Our Governing Body plays a vital role in supporting and challenging the school to ensure the very best outcomes for all pupils.

The Governing Body holds overall responsibility for the school's vision, values and long-term development. Governors monitor the effectiveness of the school, ensuring that high standards of education, safeguarding and pupil wellbeing are maintained.

Key areas of responsibility include:

- Providing strategic leadership and direction for the school.
- Monitoring pupil outcomes and educational standards.
- Overseeing the school's curriculum to ensure it meets the needs of all learners.
- Scrutinising and monitoring the school's finances to ensure resources are used effectively.
- Holding school leaders to account for the quality of education and school improvement.
- Ensuring statutory duties and safeguarding responsibilities are fulfilled.

Through regular meetings, visits and monitoring activities, governors work in partnership with school leaders to support continuous improvement and help every child achieve their full potential.
